

Webservice - updatePaymentRecordRequest

Request	Response
---------	--------------------------

Request

This web service makes it possible to modify one or more parameters of a payment file.

The modifiable parameters are :

- The number of deadlines.
- The end date.
- The day of the deadlines.
- The couple (new amount, modification date).
- The deadline update procedure runs once a day in the approval and production environment at 00:30.
